RE: Arkansas Insurance Department Disaster Assistance Team

Dear Honorable Mickey Pendergrass:

All of us here at the Insurance Department were saddened to hear about the damage your constituents in Baxter County including Gamaliel Landing suffered, as a result of recent storms. I want to let you know the Department is available to assist your constituents with any insurance questions regarding the claim process, provide assistance where needed when filing insurance claims, procuring emergency living expenses, or interpreting insurance policies.

The number of our Consumer Services Division here at the Department is 1-800-852-5494. In addition, if it is determined we need to travel to your area to provide on-site assistance, we will be happy to do so.

If we can be of any personal assistance to you or your constituents, please do not hesitate to give me a call.

Sincerely,

A handwritten signature in cursive script that reads "Jackie M. Smith".
