

DAM FAILURE

The NPDP Dam Directory shows 6 dams in Baxter County and they are listed below. All of these dams are earthen. Given the sizes of these dams and the fact that no one lives below any of them, damage to trees and erosion are the only risks that would be realized if any of the dams were to break.

LIST OF DAMS

1. Norfolk
2. Bull Shoals
3. Big Flat Lake Dam
4. Higginbottom Lake Dam
5. Ozark Acres Lake Dam
6. Gardner Lake Dam
