Policy: Introduction and Purpose

Policy No: 100.01

Section: 100.00

Effective Date: 07/01/2022

Welcome to employment with Baxter County, Arkansas (the County). The purpose and intent of this County Personnel Policy is to establish at-will employment as the default policy for the County and to state the general employment policies issued by the County Quorum Court in its capacity as the legislative branch of County government. *See Ark. Const. Amend. 55 §§ 1 & 4; Ark. Code Ann. § 14-14-805(2).* The Policy is also intended to establish uniform personnel policies and benefits for all County employees.

County employees are “at-will” employees. County employment is not for a specific period and employment may be terminated at any time, with or without notice, and with or without cause. The provisions set forth in this Personnel Policy do not guarantee any fixed terms or conditions of employment. The Policy neither creates an expectancy of future employment nor establishes grounds upon which employee discipline or dismissal must be based. At any time, the County Quorum Court may revise, supplement, or rescind the policies, practices, and benefits set forth in the Policy subject to, or as may be required by, applicable law.

Consistent with the day-to-day administrative responsibility of his or her elected office, a County elected official may adopt executive employment policies to apply to the employees of that office. Such executive employment policies shall not conflict with this uniform Personnel Policy adopted by the Quorum Court. A County elected official has discretion to determine the application, meaning, and intent of the provisions of the Personnel Policy as they relate to the employees of that official’s office. *See Ark. Code Ann. § 14-14-805(2).*

We are serious about the important work of the County. We are equally serious about adhering to the procedural and substantive requirements of applicable law. County employees are expected to read, understand, and comply with the policies set forth in the County Personnel Policy. Any questions should be directed to an employee’s elected official or supervisor.

The purpose of this policy is to assure worker fitness for duty and to protect the County's employees, passengers, and the public from the risk posed by misuse of alcohol and use of prohibited drugs. Section: 300.00

Effective Date: 07/01/2022

Termination of employment is an inevitable part of personnel activity within any organization, and many reasons for termination are routine. Below are some common circumstances under which employment is terminated:

Resignation – voluntary employment termination initiated by an employee.

Discharge – involuntary employment termination initiated by the County.

Layoff – involuntary employment termination initiated by the County for non-disciplinary reasons.

Retirement – voluntary employment termination initiated by the employee meeting age, length of service, and any other criteria defined by APERS for retirement from the County.

Because employment with the County is based on mutual consent, both the employee and the County have the right to terminate employment at will, with or without cause at any time.

Employee benefits will be affected by employment termination in the following manner: Regular, full time employees who have been employed by the County for one (1) year or more, who resign from the job in good standing, shall be compensated for vacation and Personal Days accrued up to the date of resignation, but not to exceed one (1) year's allowance of vacation and Personal Days as defined in policy.

Voluntary Resignation and Retirement

The County must plan its budgets and activities well in advance. Should you decide to resign please notify your supervisor in writing at least two (2) weeks in advance.

Should you plan on retiring please complete an "Intent to Retire" form and schedule a time to meet with the Human Resource and Payroll office at least three months in advance when possible. This will allow sufficient time to complete APERS documentation and discuss benefit payouts and insurance options.

Final Pay Policy

Final paychecks will be issued in the form of a paper check, regardless of prior methods, which will be available from the Elected Official or Department Head on the next pay day following termination of employment. All County owned property including vehicles, uniforms, keys, badges, or other items issued by the County must be returned before final pay is released.

Policy: Employee Classifications

Policy No: 400.01

Section: 400.00

Effective Date: 07/01/2022

Employee Classifications.

The County's office hours for normal business are 8:00 a.m. to 4:30 p.m. Monday through Friday, excluding holidays. A full-time County employee is an employee who occupies a full-time position with the County, who works more than 30 hours per work week and a full-year schedule for the County. Full-time County employees are expected to work during County office hours, with a 30-minute unpaid lunch break each day and two paid breaks each day of up to 15 minutes per paid break. Employees will have work schedules determined by the respective Elected Officials and/or Department Heads.

A regular part-time employee is hired to work less than a full work week on a non-seasonal basis and will be permitted to work no more than 29 hours per work week. A seasonal part-time employee is hired to work less than a full work week during seasonal and/or peak periods-the temporary employment period must be less than 90 days. Regular part-time and seasonal part-time employees are not eligible for benefits (other than those required under state and federal laws) that are afforded to regular full-time employees.

Policy: Employee Compensation

Policy No: 400.02

Section: 400.00

Effective Date: 07/01/2022

Employee Compensation.

County employees are paid on a biweekly basis (pay period every two weeks; 26 pay periods annually). Each pay period covers the two weeks prior to the week of payment, but not the week of payment. After termination of employment, a County employee will be paid through the employee's final working day in the payment for the pay period following termination of employment.

There are written job descriptions of all positions in Baxter County Government. These descriptions detail the principal function, major duties, and responsibilities, along with the educational and experience requirements and working conditions of each position. In addition, for an employee to know what the County expects of him/her in the performance of the position, performance standards have been developed for each position. These standards of performance are measurable criteria by which each employee's professional development is evaluated. All positions are classified based on duties and responsibilities, skill required, and job demands. Elected Officials may request for the Personnel Committee to evaluate and approve position reclassifications as needed. For every classification, a salary range has been assigned giving the minimum, midpoint and maximum pay rates for the position.

Baxter County has established a Pay Grade and Pay Range system for placing all employees on a pay scale in an effort to compare salaries within and between departments, as well as comparison with other similar businesses.

Adjustments to an employee's base pay will not exceed the salary range. Any increase beyond the maximum salary range will be paid out in a single lump sum upon their anniversary date and will not be added to the employees' base pay. Employees who exceed the maximum salary range of base pay prior to January 1, 2020 will be grandfathered in at their current base with single lump sums added to their base for all future increases. Any future changes to the pay grade structure and its effect on those who may have previously reached maximum will be addressed on an individual basis.

The Pay Grade scale is not published in this manual, as it is subject to periodic change. A copy of the current schedule can be obtained from the County web site and/or Human Resources office.

A new employee meeting the job description criteria may be hired between the minimum and midpoint of the approved salary range for the position (dependent upon budget fund availability and experience). The elected official will document the justification for any starting pay rate above minimum range on the Notification of Personnel Action form. The Quorum Court Personnel Committee will be asked to approve any requests for starting rates above the midpoint of the pay range (dependent upon budget fund availability).

Annual raises are not guaranteed and annual budgets must be approved by the Quorum Court. If annual raises are budgeted by the Quorum Court, Elected Officials will be responsible for allocation of the budgeted funds to the employees within their department using a merit-based format. Raise justification will be based on the employee's performance which will be documented on each employee's annual evaluation form. Raise information will be communicated to each employee during their performance review which is conducted on the employees' anniversary date.

Policy: Employee Attendance

Policy No: 400.03

Section: 400.00

Effective Date: 07/01/2022

Employee Attendance.

As public servants, timely and consistent attendance is an essential job function of every employee of the County, therefore County employees are expected to be on the job during their scheduled hours. Excessive tardiness and/or absenteeism creates an undue hardship on County Offices and Departments and will result in disciplinary action, up to and including termination.

County employees will be permitted absence without prior authorization under only the following conditions: (1) emergency, (2) family sickness or funeral, (3) County business, (4) inclement weather conditions where the employee is unable to travel safely; (5) other, if subsequently approved by the employee's supervisor. Excused absences with prior or contemporaneous authorization are governed by the leave policies set forth separately in this policy.

Policy: Overtime Work and Compensatory Time

Policy No: 400.04

Section: 400.00

Effective Date: 07/01/2022

Overtime Work and Compensatory Time.

The County complies with the Fair Labor Standards Act (FLSA).

- (1) Any County employee who makes less than the minimum pay amount set by the FLSA is, regardless of job duties, eligible for overtime compensation.
- (2) Otherwise, only County employees defined by the FLSA as “non-exempt”-which means not employed in a bona fide “executive, administrative, or professional capacity”- are eligible for overtime compensation.
- (3) The fact that an employee is paid a “salary” has nothing to do with whether an employee is (or is not) eligible for overtime compensation.
- (4) As authorized by the FLSA, the County’s non-exempt employees who are eligible for overtime compensation shall receive, in lieu of overtime pay, compensatory time off at the rate of one and one-half hours of compensatory time for each hour of overtime worked.
- (5) The normal scheduled work period shall be 30 or more hours per week for all full- time non-exempt County employees. Salaried exempt employees are expected to work whatever hours are required to accomplish their duties, even if it exceeds their normal work week. No overtime premium pay will be paid in most circumstances.
- (6) Overtime hours are not guaranteed and shall only be worked in emergencies or when public health, welfare and the safety of the community is in danger. Overtime shall not be worked without the approval of the elected County official or supervisor designated by the elected County official to approve overtime. This includes checking email and/or phone messages, or other work outside of normal business hours without approval. Overtime worked shall be compensated as set forth in this policy whether approved or not, but employees who work overtime without approval as set forth in this policy are subject to discipline up to and including termination.
- (7) No non-emergency service employee shall accrue more than 40 hours of compensatory time. After a non-emergency service employee accrues the maximum 40 hours of compensatory time, the employee shall be paid any additional overtime (subject to normal withholding for taxes, etc.) at a rate of one and one-half times the employee’s normal hourly rate, for each hour of overtime worked. At the end of each year, all accrued but unused compensatory time will be paid in full. Emergency Services Employees may accrue a maximum of eighty (80) hours of compensatory time in lieu of overtime pay. Overtime hours worked during the normal work period may be accrued as compensatory time, up to forty (40) hours for non-emergency service employees and eighty (80) for emergency service employees, after which overtime hours will be either

paid at one and one-half their hourly rate or accrued as additional compensatory time, at the discretion of the Elected Official or Department Head.

- (8) An employee who has accrued compensatory time shall, upon termination of employment, be paid for the unused compensatory time at the employee's average hourly rate during the last three years of employment, or the employee's final hourly rate, whichever is higher.
- (9) An employee who has accrued compensatory time off and who has requested the use of compensatory time off shall be permitted to use such time within a reasonable period after making the request if the use of compensatory time does not unduly disrupt the operation of the County or employing department.
- (10) All County elected officials and department heads will utilize the electronic time keeping system. If the electronic time keeping system is inoperable, all County elected officials and department heads will maintain time sheets to be filled out by each non-exempt employee daily and submitted to the County Clerk bi-weekly per the payroll schedule. All time sheets shall be signed or electronically signed under oath by the non-exempt employee and signed or electronically signed by the elected official or department head. If an elected County official or department head fails to provide the required and approved time sheets to the County Clerk, the County Clerk shall not issue subsequent paychecks. Electronic signatures within an electronic time keeping system are allowed to replace physical time sheets.
- (11) Paid leave days shall not count toward time worked in a work period for calculating overtime. Only time worked by an employee shall count toward calculating overtime (including time worked on a holiday).
- (12) A person who accepts employment with the County or continues in employment with the County shall be deemed to have agreed to receive compensatory time off in lieu of overtime compensation as set forth in this policy.

Policy: Inclement Weather Policy

Policy No: 400.08

Section: 400.00

Effective Date: 07/01/2022

Inclement Weather Policy (Ordinance no. 2015-42)

A. Purpose: The general policy regarding inclement weather is that Baxter County government offices do not normally close because of hazardous driving conditions. However, the obligation to provide services to the citizens of Baxter County must be balanced with the risk of danger to the public and to County employees. It is, therefore, appropriate that guidelines which reflect the need for safety of our citizens and employees be established.

B. Provisions:

In the event of early morning severe inclement weather conditions, the Judge's Office will determine whether this inclement weather policy will be placed into effect and will announce its implementation before 6:30 am, if possible.

1. If the Judge's Office announces that Baxter County government offices shall be closed due to inclement weather, all employees, except for essential personnel (i.e., Sheriff's Department, 911 Emergency Dispatchers and Road & Bridge Employees), will have the following options:

- Use an earned day of vacation.
- Use any other paid time off due the employee that was earned prior to his/her absence due to inclement weather.
- Take time off without pay.
- Employees may choose to come in to work, if they believe they can do so safely, and with the approval of the Elected Official or Department Head
- Employees may work from home with the approval of their Elected Official.

2. Sick leave cannot be used to cover an absence caused by inclement weather.

3. When severe inclement weather occurs during office hours, Elected Officials and Department Heads will have the discretion to allow employees to leave work early for safety reasons. Decisions to allow employees to leave work early, however, should recognize the requirement to maintain designated critical personnel and assure service delivery to the citizens for the full workday. Employees who reported late on the job, or could leave early, will have the same options listed above. (B.1.) for the number of hours not worked (in quarter-hour increments).

Policy: FMLA Leave

Policy No: 500.07

Section: 500.00

Effective Date: 07/01/2022

FMLA Leave.

The County complies with the Family and Medical Leave Act (FMLA). The eligibility criteria and general guidelines used in administering this policy are set forth below. Interpretation of circumstances not specifically covered in this policy will be made in accordance with applicable law. The FMLA was designed to promote our country's interest in preserving family unity while accommodating the legitimate interests of employers. The FMLA seeks to minimize the potential for employment discrimination on the basis of gender consistent with the Equal Protection Clause of the Fourteenth Amendment by assuring that leave is available for both women and men.

- (1) Employee Eligibility Criteria. To be eligible for FMLA leave, employees must have been employed by the County at least 12 months, whether consecutive or intermittent, and worked at least 1,250 hours during the 12-month period. All absence from work for covered military service is counted in determining an employee's eligibility for FMLA leave. The County will grant up to 12 weeks of unpaid FMLA leave per year to eligible employees.
- (2) Qualifying Events for FMLA Leave. FMLA leave may be taken for any one, or combination of, the following reasons:
 - Care of the employee's child (birth or placement for adoption or foster care);
 - Care of the employee's spouse, dependent child, or parent with serious health condition;
 - Serious health condition that makes the employee unable to perform the essential functions of his/her job;
 - A "qualifying exigency" resulting from the covered active duty or the call or order to covered active duty of the employee's spouse, son, daughter, or parent who is a military member of the National Guard and Reserves or the Regular Armed Forces; and
 - Care of the employee's spouse, son, daughter, parent, or next of kin, who is a covered service member with a serious illness or injury incurred or aggravated by service in the line of duty. (Employees eligible for this type of leave may be eligible for up to 26 workweeks of leave, rather than the usual 12.)
- (3) "Serious Health Condition". A "serious health condition" is an illness, injury, impairment, or physical or mental condition that requires inpatient care at a medical facility, including any period of incapacity, or any subsequent treatment regarding such inpatient care, or a condition that requires continuing care by a

licensed health care provider. This policy covers illnesses of a serious and long-term nature, resulting in recurring or lengthy absences. Generally, a chronic or long-term health condition that would result in a period of three consecutive days of incapacity with the first visit to the health care provider within seven days of the onset of the incapacity and a regimen of continuing treatment to resolve or alleviate the condition *or* treatment two or more times by a health care provider within 30 days of the incapacity. For chronic conditions requiring periodic health care visits for treatment, such visits must take place at least twice a year.

- (4) Pay Status During FMLA Leave. FMLA leave is unpaid leave. However, employees will be required to use available sick and vacation leave to cover all or a portion of pay until the employee's available paid leave is exhausted. Once an employee's paid benefits are exhausted, he/she will be in an unpaid status during the remainder of his/her FMLA leave. Any time off related to a serious health condition that results from a Workers' Compensation absence will be required to be taken concurrently with the FMLA leave.
- (5) How Much FMLA Leave May be Taken. An eligible employee taking FMLA leave is entitled to up to 12 workweeks of unpaid leave during a 12-month period for any FMLA qualifying event(s) as listed above. The 12-month period is a rolling 12-month period measured backward from the date an employee uses any FMLA leave. Leave to care for a seriously injured or ill active-duty military member, when combined with other FMLA-qualifying leave, may not exceed 26 weeks in a single 12-month period. When both spouses are employed by the County, they are together entitled to a combined total of 12 workweeks of FMLA leave within the designated 12-month period for the birth, adoption, or foster care placement of a child with the employees, and to care for a parent (but not in-law) with a serious health condition. Each spouse may be entitled to additional FMLA leave for other FMLA qualifying reasons.
- (6) Intermittent or Reduced Work Schedule Leave. FMLA leave may be taken intermittently or on a reduced work schedule when medically necessary due to the employee's or family member's illness. Leave to care for a newborn or newly placed child may not be taken intermittently or on a reduced work schedule. If an employee takes leave intermittently on a reduced work schedule basis, the employee must, when requested, attempt to schedule the leave so as to not unduly disrupt County operations. When an employee takes intermittent or reduced work schedule leave for foreseeable planned medical treatment, the County may temporarily transfer the employee to an alternate position with equivalent pay and benefits for which the employee is qualified and which better accommodates recurring periods of leave.
- (7) Notice. An employee should request FMLA leave by completing required paperwork and submitting it to the employee's supervisor as soon as practicable. When leave is foreseeable, the employee must provide the County with at least 30 days' notice.
- (8) Medical Certification. An eligible employee is required to submit medical certification from a health care provider to support a request for FMLA leave for the employee's or a family member's serious health condition. The County may have a designated individual contact the employee's health care provider to obtain a

second opinion by an independent County-designated provider at the County's expense. If the initial and second certifications differ, the County may, at the County's expense, require the employee to obtain a third, final and binding certification from a jointly selected health care provider. During FMLA leave, the County may request that the employee provide recertification of a serious health condition at intervals in accordance with the FMLA. The employee must provide the County with periodic reports regarding the employee's status and intent to return to work when requested. If the employee gives the County notice of his/her intent not to return to work, the employee will be considered to have voluntarily resigned. Before the employee returns to work from FMLA leave for the employee's own serious health condition, the employee may be required to submit a fitness for duty certification from the employee's health care provider, with respect to the condition for which the leave was taken, stating that the employee is able to return to work. FMLA leave or return to work may be delayed or denied if the appropriate documentation is not provided in a timely manner. Failure to provide requested documentation may lead to termination of employment.

- (9) Designation of FMLA Leave. The County will notify the employee whether leave has been designated as FMLA leave and how much leave will be counted against the employee's leave entitlement. The County may provisionally designate the employee's leave as FMLA leave if the County has not received medical certification or has not otherwise been able to confirm that the employee's leave qualifies as FMLA leave. If the employee has not notified the County of the reason for the leave, and the employee desires that leave be counted as FMLA leave, the employee must notify the County within two business days of the employee's return to work that the leave was for an FMLA reason.
- (10) Continuation of Benefits. During FMLA leave, the County will continue an employee's group insurance coverage under the same conditions as if the employee were working. An employee on FMLA leave will continue to be responsible for his/her portion(s) of group insurance premiums. FMLA leave is not a "qualifying" event under COBRA. If the employee does not return to work for 30 days, the employee shall be liable to the County for repayment of insurance premiums paid by the County during the employee's FMLA leave.
- (11) Return from FMLA Leave. Upon return from FMLA leave, the County will place the employee in the same or equivalent position with equivalent pay, benefits, and other terms and conditions of employment. An employee is entitled to reinstatement only if he/she would have continued to be employed had FMLA leave not been taken. Thus, an employee is not entitled to reinstatement if, because of layoff, reduction in force, or other reasons, the employee would not be employed at the time job restoration is sought. The County reserves the right to deny reinstatement to exempt, eligible employees, who are among the highest paid ten percent of the County's employees ("key employees") if such denial is necessary to prevent substantial and grievous economic injury to the County's operations. An employee returning to work must be able to perform the essential functions, with or without reasonable accommodations, of the position the employee held before the leave or an equivalent position with equivalent pay, benefits and employment terms. The County may require a fitness for duty report before allowing an

employee to return to work. (29 C.F.R. 825.213(c)) An employee who returns to work for at least 30 days is considered to have returned to work. An employee who transfers directly from taking FMLA leave to retirement or who retires during the first 30 days after the employee returns to work, is deemed to have returned to work.

- (12) FMLA Rights and Obligations. The County will not: (1) interfere with, restrain, or deny the exercise of any right provided under FMLA; or (2) discharge or discriminate against any person for opposing any practice made unlawful by the FMLA or for involvement of any proceeding under or relating to FMLA. The FMLA does not affect any federal or state law prohibiting discrimination, or supersede any state or local law providing greater family or medical leave rights.

Property Interest Hearing-Claim of Property Interest in Employment.

The grieving employee has the burden of proving by a preponderance of the evidence that he or she has a legitimate claim of entitlement to his or her employment—despite the County’s at-will employment policy—and not a mere subjective or unilateral expectancy of continued employment. Policy: Liberty Interest Hearing-
Claim of Disability Discrimination
Section: 800.00

Policy No: 800.03
Effective Date: 07/01/2022

Liberty Interest Hearing-Claim of Disability Discrimination.

The grieving applicant or employee has the burden of proving by a preponderance of the evidence that he or she is a qualified individual with a disability who, because of the disability, has been treated or affected differently than another person regarding job application, procedures, advancement, dismissal, compensation, training, or other terms, conditions, or privileges of employment. If the applicant or employee meets his or her burden of proof, the supervisory official has the burden of proving by a preponderance of the evidence that the difference in treatment or effect is job-related and necessary to effectuate a legitimate County objective, that performance of the job cannot be accomplished by reasonable accommodation, or that the needed accommodation would cause the County undue hardship.

The following definitions apply to claims of disability discrimination:

- (1) “Disabled” or “disability”: A physical or mental impairment that substantially limits one or more major life activities of an individual; having a record of such impairment; or being regarded as having such an impairment. Being “regarded as having such an impairment” may include individuals with conditions such as obesity or cosmetic disfigurement and individuals perceived to be at high risk of incurring a work-related injury.
- (2) “Discrimination” includes: (i) limiting, segregating, or classifying a job applicant or employee in a manner that adversely affects his or her opportunities or status; (ii) participating in contractual or other arrangements that have the effect of subjecting individuals with disabilities to discrimination; (iii) using standards, criteria, or methods of administration in such a manner that results in or perpetuates discrimination; (iv) imposing or applying tests or other selection criteria that screen out or tend to screen out an individual with a disability or a class of individuals with disabilities unless the test or selection criteria are job-related and consistent with County necessity; (v) failing to make reasonable accommodations to the known limitations of a qualified individual with a disability unless an accommodation would impose an undue hardship on the operation of the County; or (vi) denying employment opportunities because a qualified individual with a disability needs reasonable accommodation.
- (3) “Reasonable accommodation” examples include: (i) making existing facilities used by County employees readily accessible to the disabled; (ii) restructuring non-essential elements of the job; (iii) flexible or modified work schedules/locations; (iv) reassignments to other positions; (v) acquisition or modification of equipment or devices; and (vi) permitting the use of vacation or unpaid leave of absence.

- (4) “Undue hardship” is an action requiring “significant difficulty or expense”, considering: (i) the overall size of the County with respect to the number of employees, number and type of facilities, and size of budget; (ii) the type of operation maintained by the County including the composition and structure of the workforce; and (iii) the nature and cost of the accommodation needed.
- (5) “Qualified individual with a disability”: An individual with a disability who, with or without reasonable accommodation, can perform the “essential functions” of the employment position held or desired.
- (6) “Essential functions”: Job tasks that are fundamental but not marginal (not every job task is to be included in determining the essential functions).
