Policy No: 400.08

Section: 400.00

Effective Date: 03/01/2021

Inclement Weather Policy (Ordinance no. 2015-42)

A. Purpose: The general policy regarding inclement weather is that Baxter County government offices do not normally close because of hazardous driving conditions. However, the obligation to provide services to the citizens of Baxter County must be balanced with the risk of danger to the public and to County employees. It is, therefore, appropriate that guidelines which reflect the need for safety of our citizens and employees be established.

B. Provisions:

In the event of early morning severe inclement weather conditions, the Judge's Office will determine whether this inclement weather policy will be placed into effect and will announce its implementation before 6:30 am, if possible.

1. If the Judge's Office announces that Baxter County government offices shall be closed due to inclement weather, all employees, except for essential personnel (i.e., Sheriff's Department, 911 Emergency Dispatchers and Road & Bridge Employees), will have the following options:
 - Use an earned day of vacation.
 - Use any other paid time off due the employee that was earned prior to his/her absence due to inclement weather.
 - Take time off without pay.
 - Employees may choose to come in to work, if they believe they can do so safely, and with the approval of the Elected Official or Department Head
2. Sick leave cannot be used to cover an absence caused by inclement weather, except in extenuating circumstances. The Elected Official or Department Head may require documentation for sick leave to be taken.
3. When severe inclement weather occurs during office hours, Elected Officials and Department Heads will have the discretion to allow employees to leave work early for safety reasons. Decisions to allow employees to leave work early, however, should recognize the requirement to maintain designated critical personnel and assure service delivery to the citizens for the full workday. Employees who reported late on the job, or could leave early, will have the same options listed above. (B.1.) for the number of hours not worked (in quarter-hour increments).

Policy: Vacation Leave

Policy No: 500.03

Section: 500.00

Effective Date: 07/01/2020

Vacation Leave.

Vacation leave is a benefit that each full-time County employee earns, and that accrues to all eligible employees in accordance with the schedule set out in this section. Employees are not eligible to request vacation leave before completing one year of continuous full-time, regular employment with the County. Vacation leave shall be granted by the employee's appropriate supervisor in advance of the leave and at such time, or times, as will least interfere with the efficient operation of the County. Vacation leave may be taken in increments as low as .25 hours (15 minutes). No vacation leave may be taken unless earned—employees are not permitted to borrow against leave days to be accrued in the future. Accrued vacation leave may not exceed 200 hours. Any vacation leave above 40 hours at the employee's anniversary date will be automatically forfeited. Employees will be paid for accrued but unused vacation leave (up to the maximum accrual of 200 hours) at his/her most current hourly rate of pay, following termination of employment (reference 300.05 Termination of Employment for exclusions). Vacation leave shall accrue as follows:

Service Credit	Vacation Accrual per Year
1-year anniversary	40 hours
2-year anniversary	80 hours
5-year anniversary	120 hours
15-year anniversary	160 hours

Policy: Sick Leave

Policy No: 500.04

Section: 500.00

Effective Date: 07/01/2020

Sick Leave.

Sick leave is a benefit that each full-time County employee earns, and that accrues to all eligible employees at the rate of eight (8) hours per month with a maximum benefit of ninety-six (96) hours per year. Sick leave begins to accrue the first pay period of the month following thirty (30) days of employment. Sick leave shall be granted by the employee's appropriate supervisor in advance of the leave whenever possible and at such time, or times, as will least interfere with the efficient operation of the County. Sick leave shall be deducted from the employee's accrued sick leave based on the number of accrued sick leave hours requested and granted. Sick leave may be taken in increments as low as .25 hours (15 minutes). No sick leave may be taken unless earned—employees are not permitted to borrow against leave days to be accrued in the future. Accrued sick leave may not exceed seven hundred and twenty (720) hours. Any sick leave above 720 hours will be automatically forfeited. Any employee who works for the County for five (5) consecutive years or longer and leaves the County's employment for any reason, other than termination, shall be entitled to payment for unused sick days at a rate of one (1) day of pay for each four (4) accumulated days.

Any employee who works for the County for ten (10) years or longer who leaves or retires shall be entitled to one (1) day pay for each two (2) days accumulated sick time.

Example:

Employee has five (5) years' service and leaves with sixty (60) days (480 hours) accrued sick time: $480 \div 4 = 120$ hours x his/her current rate of pay.

Example:

Employee has ten (10) years' service and leaves with eighty (80) days (640 hours) accumulated sick time: $640 \div 2 = 320$ hours x his/her current rate of pay.

Any additional leave will be considered unpaid leave of absence. Immediate family may be defined as spouse, parent, brother, sister, child, grandparent, grandchild, son-in-law, daughter-in-law, mother-in-law, father-in-law, brother-in-law or sister-in-law.
